

About the Grand Exhibit

Brantford's Grand Exhibit is a partnership between the **City of Brantford** and **Glenhyrst Art Gallery of Brant**, which features twelve to-scale reproductions from Glenhyrst's permanent collection displayed throughout the City. The Grand Exhibit showcases a small piece of over 600 original works of art from Glenhyrst's permanent collection. The twelve pieces selected for the exhibit were voted on by members of the community.

This project was made possible with the generous support from the Downtown Brantford BIA and Brooks Signs.
